

**THE CHARIS
COUNSELING NETWORK**

The counselors listed in this brochure have obtained a masters degree from a clinical program and are either liscened or liscense-eligible.

Each counselor listed in this brochure agrees with the Charis statement of faith and values and has completed the Charis network application process, which includes a reference from a pastor.

If you have a question about a specific counselor, please contact them directly.

This brochure was designed as a resource to help people connect to local Christian care and counseling providers.

**Are you struggling emotionally?
Do you need support? You are not alone.**

There are a number of support groups and organizations that bring together people who are facing similar issues such as illness, addiction, relationship problems or major life changes. Members of support groups often share experiences, learn together about coping and support one another.
